Fournier-Kerr.
A quiet wedding was solemnized at ten o'clock last Monday evening, Feb. 9th, in Stanleyville, when Mary, daughter of Mr. and Mrs. Alphonso Kerr, of Burgess, was united in marriage to Shirley Fournier, son of Mrs. Fournier and the late Mr. Thomas Fournier. Rev. Father Whelan officiated. Mrs. John Crawford was the bridesmaid, and Mr. Victor Fagan acted as best man. Following the ceremony, a family luncheon was served to the immediate friends of the bride and groom at the home of Mr. and Mrs. Bert Fournier, Perth.

Truelove-Duncan.
The marriage of J. Norman Truelove and Miss Mary P. Duncan was quietly solemnized on Tuesday evening, Feb. 9th, at 8:00 p.m. at St. Mary's Rectory, Newboro, the Rev. H. K. Coleman officiating.

Mr. Truelove, son of the late William Truelove, is a very popular and successful cheesemaker, operating a most up-to-date factory near Newboro. Miss Duncan, daughter of George Duncan, is a graduate of Queen's University, and has been active in the municipal administration of North Crosby Township.

The good wishes of the neighborhood go out to Mr. and Mrs. Truelove, both of whom are held in very high esteem.

Pennett-Mackler.
St. Bridgid's Church, Stanleyville, was the scene of a quiet but pretty wedding on Wednesday, January 27, at nine o'clock, when Evelyn Elizabeth, daughter of Mrs. M. Mackler, and the late Wm. Mackler, of Burgess, became the bride of William Shirley, eldest son of Mr. and Mrs. John Pennett, Perth. Rev. Father Whelan officiated at the nuptial mass. The youthful bride, who was given in marriage by her brother, Victor Mackler, wore a becoming gown of brown tulle, made on long lines with gold trimmings, her hat being a small model of the same material and she wore gold slippers. Her bouquet was of Fallman roses and fern.

The bride was attended by Miss Frances Pennett, sister of the groom, who wore a similar gown of white tulle with silver trimmings, and hat to match. Her bouquet was of Premier roses. The groom was ably assisted by Joseph Mackler, brother of the bride. The wedding music was played by M. Donnelly, while Mr. McParlan sang "Ave Maria" very effectively.

Following the ceremony a buffet luncheon was served to the immediate families, after which the happy young couple left on a short trip. They were the recipients of many useful and pretty gifts, including a handsome set of five pieces of furniture from the Tayside Textiles, where the groom is employed.

Obituary

Mrs. William Echlin.
Following a lengthy illness, the death occurred at her home here on Wednesday, February 10, of Mrs. William Echlin, aged 52 years, and has caused deep regret throughout the town and district. Born in Drummond Township, Mrs. Echlin, whose maiden name was Elizabeth Cooke, was the daughter of the late Robert Cooke and his wife, who was the former Margaret Harvey. Her marriage to Mr. Echlin took place on March 25, 1903. Mr. Echlin's death took place here on July 3, 1935, and from that time until illness made it impossible she conducted her late husband's ice business. She is survived by one son, Robert, of Perth, who will continue the business. During her many years here Mrs. Echlin was an active member of a number of women's and church organizations. The funeral took place on Thursday afternoon, the service at the late residence, 68 Wilson street, being conducted by Rev. H. A. Berlis, of St. Andrew's Presbyterian Church, of which she was a member. From the house, the cortege proceeded to Elmwood Cemetery. Burial services were Messrs. P. F. Patrice, George Richardson, Guy Leonard, George Hartwick, J. E. Watters and Blair Thompson. Attending to the high regard in which Mrs. Echlin was held were the many beautiful flowers and the large attendance of her friends from Perth and the surrounding district, where she had spent all her life, as well as those from a distance.

William Pepper.
In failing health for a long period, William Pepper, a very well known resident of Lanark Village, died at his home on the afternoon of Thursday, February 4. Although he was in his eighty-seventh year it was only within the past few months that he was unable to go about the village as usual and only recently was confined to his bed. Born in Leeds County, near Brockville, he was a son of William Pepper and Eliza Taylor, both of Irish descent. Of a family of eight he was the youngest and last surviving member. Brothers and sisters were James, George, John, Robert, Anne (Mrs. A. Kelly), Rachel (Mrs. R. Upton) and Jane (Mrs. J. Cole). Early in his lifetime the family moved to Lanark county where many of them settled. In 1872, the late Mr. Pepper was married to Margaret McEwen, who passed away six years ago. A large part of their married life was spent on a farm near Lanark, where they lived until they moved into the village about twenty-six years ago. Deceased was a great lover of horses and always took pride in driving a fine team.

To Mr. and Mrs. Pepper was born a family of eleven sons and daughters, of whom the following survive: Mary (Mrs. N. B. Nicoll) of Perth; Anne (Mrs. G. W. Orvis) of West Hartford, Conn.; Hattie, at home; John, of Toronto; Allan, of Tarrytown, N.Y.; Jessie (Mrs. R. J. Bristol) of Bristol, Vt.; Helen, of Perth, and William and Lester of Ryley, Alta. A daughter, Jean, died in 1919, and a son, Clifford, in early childhood.

The funeral service was held on Saturday afternoon at the family home, Rev. P. C. Lewis, minister of the Lanark United Church, conducting the service. Those bearing the casket were Messrs. W. M. Lee, J. M. Strang, Arthur Brown, Lorne Liddle, J. W. Campbell, Dr. E. E. Hewitt and Dr. J. W. Scott. A profusion of floral tributes attested to the esteem in which Mr. Pepper was held.

"Is she very pretty?"
"Pretty? Say, when she gets on a street car the advertising is a total loss."

Town Council

(Continued from page 1)
make it possible for the Town of Perth to win second place in Ontario, in the cities and towns with a population of less than 25,000 in the competition conducted by the International Fire Prevention and Clean-up Campaign Committee and the National Fire Protection Association. We should all remember that Fire Prevention Week activities should be continued throughout the entire year and not just carried on during one week. Inspection was also made at the Perth Theatre, Great War Memorial Hospital and House of Industry and everything found in fine condition, with hose and extinguishers in readiness in case of an emergency. All citizens are urged to their best to avoid fires. "I would like to express my appreciation to the Fire Committee for the assistance and co-operation extended to me during the past year on all matters pertaining to the Fire Department. Trusting we may escape any serious fires during the present year. Your obedient servant,
J. W. Gamble.

P.S. To Citizens:
I will answer all calls day or night to your home if there is any danger of a fire. Phone 186.

J. W. Gamble.

Resigns Chairmanship

Councillor R. H. Gamble tendered his resignation as chairman of the Relief Committee. Asking to be relieved of this duty, Mr. Gamble stated that he had worked on the committee for four years. Council accepted his resignation from the committee with regret.

The actions of a number of girls in the council chamber following a recent concert were criticized by council. Reeve J. E. Erwin stated that he had found about ten girls dancing on the council table and had been unable to stop them. The table had been marked, he said, and had been restored at the expense of those responsible.

The affair was brought up during a discussion of liability insurance for the town hall, a matter which was referred to the Market Committee for report at the next meeting.

Council adopted a resolution authorizing the erection of street light at the corner of Wilson and South streets following complaints about this corner.

Basil Sheridan informed council that on January 31 he had fallen on Peter street, fracturing his left ankle, and that he is holding the town responsible.

The Hospital for Sick Children applied for a grant.

War On Slot Machines.
Proprietors of Carleton Place restaurants, cigar stores, fruit stores, garages, pool parlors and other like places found operating slot machines have their licenses immediately cancelled by authorities, according to a decision by town council Monday evening when a prohibitory bylaw was drawn up. Owners of places found operating the games will also be liable to a fine of \$50 and costs or imprisonment not exceeding six months.

Train Hit Woodpile.
It may take James Robinson of Morrisburg some time to gather all the wood he lost recently, but he probably won't lose any more of the same. Robinson's sleigh became stuck on the main line of the Canadian National Railways near Morrisburg. He unloaded it rapidly, leaving about a cord of wood on the tracks, and drove it to safety. But along came a Toronto-bound express and away went Robinson's wood before he got a chance to move it off the track. Leaves Newspaper Business.
