

THE LANARK VILLAGE ANNUAL FALL FAIR

Attracts and Pleases the
Crowds in the Thousands
on Friday Last

THE PRIZE LIST

The Lanark Fair is always a popular event and this year was no exception to the rule. Fully 2500 people attended last Friday. The day was very fine, and roads good. The ring programme was handled steadily until after six o'clock. The failure of one or two special attractions to turn up was regretted but was not any fault of the management. The Perth band kept the large crowd in good humor, and the Elliott Bros. with the bagpipes was a good attraction for a goodly number. The grounds at Lanark are exceptionally good for such an event, and the orderly and good-natured crowd saw all the performance from any part of the grounds.

An attraction that proved a centre for many was the main building and while not such a large exhibit the quality was good. Some of the special exhibitors were—Taylor Bros., hardware, managed by T. Lett Simpson, exhibited Findlay Bros. stoves, cattle stanchions, folding baths and other articles. Henry Strong exhibited the De Laval separator. The Premier separator was also on exhibition.

The portion of the building containing the various assortment of ladies, was minutely inspected by the number of ladies present. The other exhibits were of high order, especially the grain, roots and vegetables, also the pastry and bread. W. H. Butler took the prize for the largest assortment of vegetables. The poultry exhibit was of high order, Mr. Mervyn Hicks carrying off several prizes.

Mr. Norman Dodds supplied the wants of the crowd in the refreshment line, having four large booths well stocked with fruit, etc. The judging was very satisfactory and the management extends thanks to all parties who in any way helped to make the fair a success.
